

## SPECIAL POINTS OF INTEREST

# Managed Wi-Fi Service for homes can be leased from WT Services, WTRT

WT Services and West Texas Rural Telephone Cooperative have Managed Wi-Fi Service available. Managed Wi-Fi provides password protected control of devices on Wi-Fi in homes. Customers can obtain Managed Wi-Fi Service at a lease rate of \$9.95 per month. Patrons can contact either WT Services at 360-9000 or WTRT at 364-3331 to make lease arrangements.

A Mesh Satellite system coupled with Managed Wi-Fi Service complements service delivery by extending Wi-Fi coverage and capacity within the subscriber's home.

The configuration can improve in-home Wi-Fi coverage, eliminate the Wi-Fi dead spot in homes, and prevent pirating of Wi-Fi services by unscrupulous individuals in the same neighborhood who might look to freeloader Wi-Fi service from a paying customer.

The equipment also permits remote troubleshooting of Wi-Fi coverage issues, avoiding costly ser-

vice calls. Managed Wi-Fi offers extensive troubleshooting capabilities, remote software downloads and easy to use service activation that ensures that services are maintained and delivered without needless service calls or hardware upgrades.

Switching and routing functions manage premises network traffic at speeds up to 1 Gbps.

Managed Wi-Fi offers an agile and responsive service platform, delivering data throughout a subscriber's

home.

Managed Wi-Fi Service interfaces include carrier class wireless networking with Wi-Fi and four Gigabit Ethernet ports for IPTV and data services, two integrated voice lines supporting carrier grade VoIP and network-based TDM voice circuits, a USB port for home networking services, and an option for RF video.

Managed Wi-Fi allows strategic location for delivery and control of broadband service within the home.

## Scholarship application process is underway now

It's only the second month of the young new year, and though it might not seem possible, the time for spring commencement for high school seniors in the region is only short months away.

For the fifth consecutive year WT Services will be awarding schol-

arships to selected applicants who are graduating seniors from Hereford, Friona, Bovina, and Bushland high schools in 2018. Application forms are available now from several sources and recipients will be announced in May.

Scholarships are open (See **SCHOLARSHIP**, Page 2)

- Managed Wi-Fi Service provides password protected control of devices on Wi-Fi in homes.

- Managed Wi-Fi Service can be leased for only \$9.95 per month.

- Managed Wi-Fi Service is available through WT Services or West Texas Rural Telephone Cooperative.

- Wi-Fi dead spots in the home can be eliminated.

- Managed Wi-Fi configuration can improve in-home Wi-Fi coverage and prevent pirating of the Wi-Fi service you pay for by unscrupulous individuals in the same neighborhood who might try to freeloader off of your service.

only to students whose parents or guardians are WT Services customers, or, to students who are WT Services customers. Applicants must be either high school seniors who are candidates for graduation this spring, have completed high school, or have received their GED.

Scholarship money will be disbursed in increments per semester.

An application form, accompanied by two letters of recommendation, and a wallet-size photo must be submitted. One letter of recommendation must be from a teacher, principal, or counselor from the high school that the applicant is currently attending.

In Hereford, applications may be picked up at the WT Services office at 119 East 4th, or at the Hereford High School counselor's office.

Applications may be picked up at the WT Services office in Friona at 1010 Columbia, and will be provided to counselor's offices at Friona, Bovina, and Bushland high schools.

Applications must be

fully completed, legibly typed or written, have no attachments other than the photo and two required letters of rec-

## Security camera systems available for farms, ranches, homes, businesses

WT Services is now a licensed security camera service provider for farms, ranches, homes and businesses to help provide that peace of mind.

"When we hear the term 'security camera' it is common to think of the cameras in business settings designed to enhance security and prevent crime. But, today's 'security' cameras have almost unlimited applications to add convenience, efficiency and peace-of-mind in both business and residential settings," said Amy Linzey, chief executive officer and general manager of WTRT and WT Services.

"Whether you want to monitor livestock, the farm or ranch premises, check on kids coming home after school, install a nanny cam or verify personnel making deliveries to your property, there is a camera made for the job. From small to large, live streaming to recorded footage,

ommendation, and must be received at the offices of WT Services, Inc. P.O. Box 1776, Hereford, Texas 79045, no later

than April 10, 2018.

Applicants may be asked to attend an interview at the discretion of the WTRT board.

closed circuit to Internet accessible - cameras are more versatile than ever. And, they don't have to be expensive or complicated to be effective," she added

Desiring to ensure that subscribers have access to all of the benefits that technology can offer, WT Services has been working diligently to make a variety of security and other service cameras available, as well as having professional installation and support.

"From researching equipment to determine the best options to training personnel on the installation and maintenance of camera equipment, we've worked to offer the best security camera systems," said Ms. Linzey.

"The uses and benefits of security cameras are limited only by imagination. Our staff are very happy to explore the options with you to find the right fit for your needs, property, and

budget. We look forward to finding the picture-perfect solution for you."

If you'd like to learn more about security cameras or develop a plan for including them at your business, home, farm or ranch, contact Ruben Coronado, WT Services manager of marketing at 360-9000, office, or 357-7080, cell.

### Draft payment discount

WT Services Hereford customers get a one percent discount by paying their bill by bank draft.

Customers who authorize draft payment agree to have their bank account drafted for the amount of their outstanding balance between the 20th and 23rd of each month. To arrange bank draft payment contact the WT Services in Hereford at 119 East 4th to obtain the necessary authorization form.
