

## SPECIAL POINTS OF INTEREST

- Television programmers typically increase the rates that they charge cable companies such as WT Services, a subsidiary of WTRT, on an annual basis.
- Cable TV customers and providers alike would like to be able to choose only their favorite channels.
- Programmers often require cable TV providers to carry numerous “companion” channels that aren’t all that popular, in order to allow them to receive the channels that cable TV customers most desire.

- Due to increased rates that are charged cable companies such as WT Services, it will be necessary to charge slightly higher rates beginning March 1, 2019.

## Fees for cable television services will be increasing slightly March 1

Television programmers such as KAMR, ESPN, Disney, Fox Sports, etc. typically increase on an annual basis the rates that they charge cable companies such as WT Services for the right to carry their programming on our system.

Although cable TV customers and providers alike would like to be able to choose only their favorite channels, these programmers often require cable TV providers to carry numerous “companion” channels in order to receive the one or two channels that cable TV customers most desire.

WT Services works hard to negotiate with these large TV programmers, but ultimately, we are forced to either drop the program or increase the monthly charge that you pay for your cable services so that we can continue to offer the high level of programming and channel choices that

you receive from WT Services. Although local broadcast stations make their signal available free “off air,” they have elected to charge cable TV providers, on a per customer basis, to make the very same signal available to their viewers.

This is in addition to the programming fees that must be paid for all

common “cable” channels such as ESPN, Disney, Lifetime, FOX Sports, The Outdoor Channel, Speed, etc.)

Effective March 1, 2019, there will be a slight increase in your invoice.

We apologize for any inconvenience and we appreciate your choosing WT Services.
